

# The Station Practice August 2023

INTERACTIVE INNOVATIONS & THE STATION PRACTICE

## Self-Screening Health Kiosk

- Take vital signs measurements
- Take health questionnaires
- No need for an appointment

The Kiosk is located on Level 2 Room 235

### Have you used our Health Kiosk?

Our Health Kiosk means you can check your vital signs such as your blood pressure, height, weight, blood oxygen, pulse without an appointment.

Our Health Kiosk is located on level 2 room 235 within the Station Plaza health centre and it now clearly sign posted.

Log onto the Kiosk using your name & date of birth. Take the health questionnaires & select submit. Your data will upload into your patient records.

If you have any questions relating about our Health Kiosk please do ask at reception and a member of the team will be happy to help you.

## Urine sample process

### Are you suffering from urinary symptoms?

Please bring a sample in before 12 midday. Your sample will be tested in surgery. If the test is positive for indications of an infection, the on call clinician will be notified and you will be contacted the same day to discuss the results and antibiotics.

Depending on these results and the reason for the sample it may also be sent of to the laboratory for further testing. These results usually take between 2-3 days.

If there is a cause for concern we will phone you within 24 hours of receiving the results.

**Please note, we will not routinely inform you if the results are normal**

### **Patient Participation Group - Re-launched.**

We are looking for more patients who would like to be involved in improving the service here at the practice. We would love for you to join our group & share your ideas.

Please ask at reception for a form or visit our website at [www.thestationpractice.co.uk](http://www.thestationpractice.co.uk)
